

Complete Ophthalmology Solutions

Background

The NHS Collaborative Procurement Partnership (NHS CPP) has let a Framework for a Complete Ophthalmology Solution covering all requirements from intraocular lenses, accessories and consumables including machinery, maintenance and repairs. The framework will give trusts the ability to consolidate their spend under one agreement for consumable and capital spend.

The Framework has been awarded to 24 Suppliers - please note that not all Suppliers are on each Lot.

Lot 1: Intraocular Lenses

Lot 2: Surgical Instruments

2.1 – Single Use

2.2 – Reusable

Lot 3: Procedure Packs

Lot 4: Solutions and Gases

Lot 5: General accessories and consumables

Lot 6: Ophthalmic Equipment

6.1 – Phacoemulsification Machine

6.2 – Vitreoretinal Machine

6.3 – Ophthalmic Microscopes

6.4 – Diagnostic Equipment

6.5 – Ophthalmic Lasers

6.6 – Additional Ophthalmic Equipment

Lot 7: Combination Specific Lots

Lot 8: Managed Service

Benefits

The framework provides NHS trusts with a legally compliant access to the market, with the benefits of significantly reduced procurement time scales and access to cost effective and quality approved suppliers

Pricing Structure

Suppliers were given the opportunity to submit firm banded prices, based on volumes and/or the spend profiles for the Trusts.
