

Insulin Pump Therapy Equipment and Consumables

North of England
Commercial Procurement Collaborative

Contract duration: 01/10/2013–30/09/2016
(with the option to extend for a further 12 months)

Background to contract

The framework agreement incorporates the supply of insulin pump therapy equipment, associated consumables, home delivery and ongoing support.

The contract is accessible to all NOE CPC members. The contract is also open to other organisations, subject to agreement.

The following categories are included in the framework agreement:

1. Insulin pump system with no tubing
2. Insulin pump system with no tubing and CGM
3. Insulin pump system with tubing
4. Insulin pump system with tubing and CGM

Benefits

Value for money

The competitive tender process ensures you will be buying goods at a competitive market rate.

Market testing

In undertaking this contract NOE CPC robustly market tested this key area.

A 'one stop shop' solution

NOE CPC customers have access to all suppliers on the framework and can take advantage of this at any time during the life of the contract.

Contract management

Ongoing central support from NOE CPC will be provided to all involved stakeholders throughout the life of this contract.

Zero commitment

There is no commitment for individual trusts to utilise this

agreement for any given volume of requirements.

Savings

This framework agreement is forecast to deliver significant savings to member trusts, with the potential to realise further savings by committing volumes through a further competition process.

Appointed suppliers

The suppliers on this framework include:

- Advanced Therapeutics (UK) Ltd
- Animas (Johnson & Johnson Diabetes Care Franchise)
- Cellnovo Limited
- Medtronic Limited
- Roche Diagnostics Ltd
- Ypsomed

Benchmarking

This framework agreement can only be accessed via a further competition, NOE CPC is therefore unable to benchmark your current prices.

Should you wish to undertake a further competition exercise or find out more details on how to go about this, please refer to the briefing document in the first instance and contact the procurement specialist who manages this framework to discuss your bespoke requirements.
